

Avon Cycles: Achieving Business Agility with SAP® Business Suite powered by SAP HANA®

There is no transportation that is cleaner, greener, or healthier than a bicycle. As Asia's leading cycle manufacturer, Avon Cycles is dedicated to building innovative and quality bicycles that keep customers moving in comfort and style. On the cutting edge of cycling technology, Avon Cycles runs its business with the same high-speed mentality that only agile and efficient business operations can achieve.

A long-time user of SAP® software, Avon Cycles worked with vCentric Technologies to migrate its SAP Business Suite applications to the SAP HANA® platform, replacing an Oracle database. The company now has tighter control over its supply chain and can provide stakeholders with real-time, actionable data. Together with SAP, Avon Cycles will keep pedaling on the road of success year after year.
