Nomura Research Institute: Training Expert Consultants with SAP® Learning Hub

Japanese IT consulting and solution provider Nomura Research Institute Ltd. (NRI) is passionate about discovering future trends and helping businesses succeed. Having completed Japan's first implementation of the SAP HANA® platform, NRI is now looking to capitalize on the latest cloud technology and rapid-deployment solutions from SAP. With SAP® Learning Hub, the brilliant minds at NRI can access the latest information on SAP solutions, keeping the company competitive and at the top of its field.

A learning infrastructure for advanced IT solutions

NRI gains knowledge and expertise with SAP® Learning Hub

Objectives

- Improve consultant access to learning material to keep pace with advances in SAP® software technology
- Improve competitive advantage by gaining access to the latest SAP solution information first
- Develop a system that provides consultants with the latest materials from the SAP Education organization

Why SAP

- SAP Learning Hub, which provides access to a rich database of the most current educational information from SAP
- Personalized learning environment with user-relevant data for each employee
- Anytime, anywhere online information access
- Simple budget planning, thanks to a flat-rate, subscription-based fee structure

Benefits

- Education materials that are tailored to specific projects and consultant skills
- Higher consultant productivity, thanks to faster information access
- Stronger competitive advantage that comes with the latest in SAP solution expertise

Future plans

- Develop consultants that specialize in new SAP solutions and software technology
- Continue to provide high-value solutions to customers
- Nurture SAP solution expertise with dynamic social learning opportunities and live training systems

“Nomura Research Institute is actively pursuing new technology domains, including cloud solutions, to continuing providing high value-added services to our customers. We are leveraging SAP Learning Hub to increase our competitiveness by staying on top of the latest SAP offerings.”
