

SAP® Learning Hub, Student Edition: Cloud-Based Learning Anytime, Anywhere

SAP® Learning Hub provides instant online access to a [vast body of knowledge about SAP solutions](#). Without the need for scheduling or traveling to training sessions, students can quickly access up-to-date training materials targeted at their specific needs.

What is SAP Learning Hub, student edition?

The student edition of SAP Learning Hub is a learning portal that provides access to a comprehensive range of learning content on SAP solutions. At a fixed subscription fee, universities can purchase access for their students.

Through SAP Learning Hub, student edition, students can prepare for future employment on their chosen career path or prepare for SAP certification exams. With a wide range of high-quality content and optional live access to training systems from SAP, students will be set up to train when and where they choose.

Who can purchase SAP Learning Hub, student edition?

Subscriptions can be purchased by any university, college, or higher-education organization. Students cannot purchase subscriptions to SAP Learning Hub, student edition, directly from SAP.

As a student, how can I get access to SAP Learning Hub, student edition?

If you would like to get access to SAP Learning Hub, student edition, and your college or university does not subscribe, speak to your professor or course tutor and encourage them to sign up. They can find out more about it at www.sap.com/learninghub or <https://training.sap.com/shop/content/sap-learning-hub-student-edition?nocache>.

Students can always get access to the discovery edition of SAP Learning Hub by visiting <https://training.sap.com/g/en>.

What are the benefits of a subscription to SAP Learning Hub, student edition?

Subscribers have unlimited access for 12 months to more than 145 courses, including e-learning courses and course handbooks. A subscription to SAP Learning Hub also qualifies a student to purchase additional hands-on practice in a training system from SAP with the SAP Live Access environment to maximize learning.

SAP Learning Hub, student edition, is a personalized environment with user-relevant data and a learning history linked to the subscriber's login information.

What are learning rooms in SAP Learning Hub?

Learning rooms are SAP expert-led spaces that cover a particular topic area or parts of a specific curriculum. You can join other learners completing the same learning content over a set period of time, typically between 8 and 10 weeks.

What are the differences between SAP Learning Hub, student edition, and other SAP offerings for universities?

SAP Learning Hub, student edition, provides cloud-based learning with access to over 145 courses in various subject-matter areas at a lower entry price point, and SAP Live Access is optional. No hardware, software, or maintenance is required from universities.

With the **SAP Student Academy** site, a student aims to achieve SAP certification in one specific subject-matter area. Access is granted over a five-month period and includes access to a purpose-built live training system.

Site licenses for on-premise offerings for universities from the SAP Education organization provide unlimited access to one specific learning topic for a period of three years.

Academy Cube is an e-learning platform that is currently offered only in Europe.

The openSAP platform offers selected online programs that run over several weeks as massive open online courses (MOOC). These overview programs are free to anyone who registers.

What are the technical requirements for using SAP Learning Hub?

To learn about the system requirements for SAP Learning Hub, visit https://training.sap.com/v2/_/sapapp/pdf/e-learning-technical-requirements.pdf.

What is SAP Learning Hub, discovery edition?

The discovery edition of SAP Learning Hub serves as a starting point for learners as they decide whether to become full subscribers while taking advantage of the site's benefits. Learners can gain complete or partial access to more than 120 free online courses and register for Webinars.

If you are interested in exploring the value of SAP Learning Hub and becoming familiar with a variety of training assets, you can register free of charge through our [Training and Certification Shop](#).

What is SAP Live Access?

The SAP Live Access environment provides on-demand access to training systems from SAP Education for hands-on learning. The environment is available exclusively for subscribers of SAP Learning Hub. You can purchase 20, 40, or 60 hours of access to a live training system for a selection of SAP training courses, including complete exercises. They are described in our course handbooks.
