

Arthur Gitajn

Chief Financial Officer, SAP Canada

As chief financial officer for SAP Canada and a key member of the executive leadership team, Arthur Gitajn is responsible for all strategic financial activities, business planning, forecasting and analysis, sales operations, risk management, and legal and contract negotiations at SAP Canada. He reports directly to Mark Aboud, president and managing director, SAP Canada.

Arthur has extensive experience in finance and accounting in the United States, Europe and Canada and has served as CFO for several public software companies, including Geac, Intenia, and most recently, Workbrain.

Prior to his roles as a software company CFO, Arthur served as director of financial and IT services for the City of Alexandria, Virginia, and senior manager of the Government Finance Research Center in Washington, D.C.

Arthur is a Sells Award-winning Certified Public Accountant (CPA) and holds a Master of Science in Accounting from Georgetown University, where he received the Graduate Award for Academic Excellence from the School of Business. He also holds a Master of Arts in American Studies from the University of Maryland, and a Bachelor of Arts in English from Virginia Wesleyan College.
