

YOU — YOUR CAREER — SAP

SAP Career Day – Indonesia 2007
18 December 2007 ■ 8:30 – 16:30
Borobudur Hotel, Jakarta.

Demand for SAP consultants is growing every year. If you are looking for a career change, you can explore how you can build a successful career as an SAP consultant. SAP and its partners provide you with the tools and opportunities you need to succeed in your career. Together, we can shape your future.

SAP Career Day gives you the opportunity to:

■ **MEET**

Meet with selected SAP partners and explore potential career opportunities.

■ **INTERVIEW**

Gain an immediate job interview with selected SAP partners.

■ **RECEIVE**

If you're successful, you'll receive a conditional job offer where you can begin a successful SAP career upon completion of SAP certification programmes available (ABAP, Financial Accounting, Human Resources and Materials Management).

Requirements

- 1. Technical Positions:** Fresh Graduates, Degree in Computer Science, Degree in Engineering.
- 2. Functional Positions:** Fresh Graduates, Degree in Computer Science, Degree in Engineering, Degree in Business, 2-3 years work experience.

IT background and english language ability will be an advantage.

SAP ACADEMY OFFER

Register for SAP Academies up to 25th December 2007 and receive a 30% discount of course fees including certification.
