HP Germany: Training and Certifying SAP® Software Experts for SAP HANA®

Supporting millions of businesses and consumers around the globe, Hewlett-Packard Company (HP) is a giant of the high-tech industry. For over 20 years, HP and SAP have been working together to make the world run better. To keep its vast team of SAP® solution and service experts on top of their game, the HP Education Services division in Germany works closely with the SAP Education organization. Currently focused on the SAP HANA® platform, HP consultants are able to bring the best of SAP software technology and innovation to customers.

Over 20 years of partnership, trust, and success

HP has expertise to maximize SAP® software performance

Objectives

- Build and maintain SAP® solution expertise that is crucial to the company and its customers
- Meet the high demand for HP training, certification, and support for the SAP HANA® platform
- Work with SAP to advance the use of SAP HANA

Why SAP Education

- Effective learning programs for SAP HANA offered by the SAP Education organization
- Short-term, flexible, and high-quality learning content and methodology
- Role-based and project-based courses both in-house and online, with live instruction for convenient scheduling
- Seminars on SAP HANA with an objective focus, thanks to professional coordination and delivery by education consultants in close alignment with HP Education Services

Benefits

- Comprehensive, strategically relevant training for HP consultants
- Optimization of operative training processes through a single point of contact
- SAP Global Certification program for SAP HANA and other SAP offerings
- Reduction in costs thanks to customized learning options and the ability to quickly train large numbers of consultants in house
- Positioning of HP Education Services as an internal training provider for SAP software

Future plans

- Build an internal training and certification academy
- Evaluate and use new SAP Education offerings
- Continue to strengthen and grow the long and trusted alliance between HP and SAP

“HP and SAP have enjoyed a successful partnership for over 20 years. With SAP HANA, we work closely together. HP provides comprehensive support for any SAP solution portfolio, from IT infrastructure to process consulting. To ensure the necessary expertise, we train our staff together with SAP Education.”
