How to request access

We have authorised and designated our information officer to deal with all matters relating to PAIA in order to comply with our obligations in terms of PAIA. To request access to a record, please complete Form C which is available from the Information Regulator website at https://www.justice.gov.za/forms/paia/J752_paia_Form%20C.pdf

Please submit the completed form to our information officer together with the relevant request fee (details here: <http://www.sahrc.org.za/home/21/files/PAIA%20Notice%20on%20fees.pdf>) at our information officer's email address, our physical address, or by fax in terms of our details provided above. Please ensure that the completed form:

- has enough information for the information officer to identify you, the requested records, and which form of access you require;
- specifies your email address, postal address, or fax number;
- describes the right that you seek to exercise or protect;
- explains why you need the requested record to exercise or protect that right;
- provides any other way you would like to be informed of our decision other than in writing; and
- provides proof of the capacity in which you are making the request if you are making it on behalf of someone else (we will decide whether this proof is satisfactory).

If you do not use the standard form we may:

- reject the request due to lack of procedural compliance;
- refuse it if you do not provide sufficient information; or
- delay it.

You may request information by completing a request for access form and submitting it to our information officer together with a request fee.

Grounds for refusal

We may have to refuse you access to certain records in terms of PAIA to protect:

- someone else's privacy;
- another company's commercial information;
- someone else's confidential information;
- the safety of individuals and property;
- records privileged from production in legal proceedings; or
- research information.

We will notify you in writing whether your request has been approved or denied within 30 calendar days after we have received a completed request for access form. If we cannot find any requested record or it does not exist, then we will notify you by way of affidavit that it is not possible to give access to that particular record.

We may have to refuse you access to a record to protect others.

How we will give you access

We will evaluate and consider all requests to us in terms of PAIA. If we approve your request for access to our records, then we will decide how to provide access to you – unless you have asked for access in a

specific form. Publication of this manual does not give rise to any rights to access information records, except in terms of PAIA.

How much it will cost you

You must pay us a request fee as required by law when submitting a request for access to information. The prescribed fees are as set out in the Fee Schedule which is available here: <http://www.sahrc.org.za/home/21/files/PAIA%20Notice%20on%20fees.pdf>. You must pay us the fees before we will hand over any information. You may have to pay a further access fee if we grant the request for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.

How we process and protect personal information

We process the personal information of various categories of people for various purposes as set out in the SAP Privacy Statement available on our website here: <https://www.sap.com/africa/about/legal/privacy.html>
