PRODUCT SPECIFIC LICENSE TERMS

**Transform On Demand v. 4.0
("Program")**

IN ADDITION TO THE LICENSE TERMS SET OUT IN THE LICENSE AGREEMENT, THE FOLLOWING ADDITIONAL OR DIFFERENT RIGHTS AND ACCOMPANYING OBLIGATIONS AND RESTRICTIONS SHALL APPLY TO THE PROGRAM:

The Program may contain or be provided with component software products from both Solonde and third parties. Except as set forth below, use of all components is limited to use in the same manner and capacity for which the Program as a whole is licensed. Additional functionality may be included in this Program, however, you are only authorized to use the specific functionality made available to you upon installation of the Program or by use of any license keys provided to you by Solonde and not any other functionality accessed by overriding the license management mechanism within the Program. Additional licenses for Solonde components may be available from Solonde for a fee.

I. Free Download Components. The Program may include certain third party open source and other free download components ("Free Download Components"). You may have additional rights in the Free Download Components that are provided by the third party licensors of those components. The Free Download Components and any such third party licenses and third party-required notices for the Program are identified at <http://www.Solonde.com/thirdpartylegal> (third party licenses and notices for Free Download Components included as part of the Restricted Use Components are identified under the names of those products). Any obligations undertaken by Solonde in the Agreement relating to the Free Download Components as part of the Program are provided by Solonde alone, and not by the third party licensors of the Free Download Components. **A. FURTHER DISCLAIMER OF WARRANTIES AND LIABILITIES.** The Free Download Components are provided "AS IS" by the third party licensors, who disclaim all liabilities, damages (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the Free Download Components. Nothing in the foregoing affects any performance warranty provided by Solonde with regard to the Program as a whole. **B. DISCLAIMER OF INDEMNITIES.** The Free Download Components are excluded from any indemnity provided by Solonde or its subsidiaries in the Agreement.

II. Sample Code. You may use internally and modify the source code versions of those portions of this Program provided as sample code (e.g., code examples, sample applications and other such materials identified in the documentation), if any. Such source code versions may not be distributed to third parties. No implied license is granted in any copyright or patent rights of Solonde and its suppliers.
