

PRODUCT SPECIFIC LICENSE TERMS
Sybase® Adapter for OS/390
(“Program”)

IN ADDITION TO THE LICENSE TERMS SET OUT IN THE SYBASE LICENSE AGREEMENT, THE FOLLOWING ADDITIONAL OR DIFFERENT RIGHTS AND ACCOMPANYING OBLIGATIONS AND RESTRICTIONS SHALL APPLY TO THE PROGRAM FOR WHICH YOU HAVE PURCHASED A LICENSE.

I. Free Download Components. The Program, including any Developer Components and Restricted Use Components provided with it, may include certain third party open source and other free download components (“Free Download Components”). You may have additional rights in the Free Download Components that are provided by the third party licensors of those components. The Free Download Components and any such third party licenses and third party-required notices for the Program are identified at <http://www.sybase.com/thirdpartylegal> (third party licenses and notices for Free Download Components included as part of the Developer Components and Restricted Use Components are identified under the names of those products). Any obligations undertaken by Sybase in the Sybase License Agreement accompanying this Product relating to the Free Download Components as part of the Program are provided by Sybase alone, and not by the third party licensors of the Free Download Components. **A. FURTHER DISCLAIMER OF WARRANTIES AND LIABILITIES.** The Free Download Components are provided “AS IS” by the third party licensors, who disclaim all liabilities, damages (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the Free Download Components. Nothing in the foregoing affects any performance warranty provided by Sybase with regard to the Program as a whole. **B. DISCLAIMER OF INDEMNITIES.** The Free Download Components are excluded from any indemnity provided by Sybase or its subsidiaries in the Sybase License Agreement accompanying this Program.

II. Sample Code. You may use internally and modify the source code versions of those portions of this Program provided as sample code (e.g., code examples, sample applications and other such materials identified in the documentation), if any. Such source code versions may not be distributed to third parties.
