

PRODUCT SPECIFIC LICENSE TERMS
Sybase® Dynamic Archive v4.x

IN ADDITION TO THE LICENSE TERMS SET OUT IN THE SYBASE LICENSE AGREEMENT, THE FOLLOWING ADDITIONAL OR DIFFERENT RIGHTS AND ACCOMPANYING OBLIGATIONS AND RESTRICTIONS SHALL APPLY TO THE PROGRAM:

I. GIGABYTE PRICING. The license fees payable by you for each copy of the Program shall be determined by multiplying the total size of all data residing in databases on the Sybase database server(s) for which the Program will be used by the applicable per gigabyte rate as specified on the Purchase Order or Exhibit A. The total size of all data residing in the database shall be measured as of the date the Program is licensed by you. You may not use the Program to archive additional databases without first paying additional license fees therefor. Additionally, the Program may only be used in conjunction with the databases for which license fees have been paid. Regardless of the size of the databases (within a Sybase database server) for which you have purchased the Program, the minimum license fees due shall be based on a size of 40 gigabytes (within a Sybase database server).

II. FREE DOWNLOAD COMPONENTS. The Program may include certain third party open source and other free download components ("Free Download Components"). You may have additional rights in the Free Download Components that are provided by the third party licensors of those components. The Free Download Components and any such third party licenses and third party-required notices for the Program are identified at <http://www.sybase.com/thirdpartylegal>. Any obligations undertaken by Sybase in the Agreement relating to the Free Download Components as part of the Program are provided by Sybase alone, and not by the third party licensors of the Free Download Components. **A. FURTHER DISCLAIMER OF WARRANTIES AND LIABILITIES.** The Free Download Components are provided "AS IS" by the third party licensors, who disclaim all liabilities, damages (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the Free Download Components. Nothing in the foregoing affects any performance warranty provided by Sybase with regard to the Program as a whole. **B. DISCLAIMER OF INDEMNITIES.** The Free Download Components are excluded from any indemnity provided by Sybase or its subsidiaries in the Agreement.
