

PRODUCT SPECIFIC LICENSE TERMS

RFID Anywhere ("Program")

IN ADDITION TO THE LICENSE TERMS SET OUT IN THE SYBASE LICENSE AGREEMENT ACCOMPANYING THIS PROGRAM, THE FOLLOWING ADDITIONAL OR DIFFERENT RIGHTS AND ACCOMPANYING OBLIGATIONS AND RESTRICTIONS SHALL APPLY TO THE PROGRAM FOR WHICH YOU HAVE PURCHASED A LICENSE.

The following additional rights (and accompanying obligations) shall apply to the Programs designated below:

Definitions: The following is substituted for the Definition of Seat in Exhibit A, Part 2:

"Seat", abbreviated as "ST" - a specific identifiable unique device that is connected, directly or indirectly, to the RFID Anywhere Server, such as (without limitation) readers, printers, barcode scanners, sensors and controllers. Each device may have a maximum of four connected points (antennae, sensors, etc). Devices with more than four connected points will be considered multiple devices.

A license for RFID Anywhere (base package) shall permit the Customer to install and Use the Server component of the Program on one or more Servers, at Customer's choice; and to install and use the client component of the Program on up to 20 Seats (devices). The number of Seats in Use may not exceed the number of Seats licensed, regardless of the number of Servers in Use. Additional Seat (device) licenses may be purchased from Sybase as Deployment Seats as set forth in the iAnywhere price list.

Free Download Components: The Program may include certain third party open source and other free download components ("Free Download Components"). You may have additional rights in the Free Download Components that are provided by the third party licensors of those components. The Free Download Components and any such third party licenses and third party-required notices for the Program are identified at <http://www.sybase.com/thirdpartylegal>. Any obligations undertaken by Sybase or iAnywhere in the Agreement relating to the Free Download Components as part of the Program are provided by Sybase or iAnywhere alone, and not by the third party licensors of the Free Download Components.

A. Further Disclaimer of Warranties and Liabilities. The Free Download Components are provided "AS IS" by the third party licensors, who disclaim all liabilities, damages (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the Free Download Components. Nothing in the foregoing affects any performance warranty provided by Sybase or iAnywhere with regard to the Program as a whole.

B. Disclaimer of Indemnities. The Free Download Components are excluded from any indemnity provided by Sybase or its subsidiaries in the Agreement.
