## Virtual Annual General Meeting of Shareholders

May 12, 2021

### Frequently Asked Questions

#### **Why is this year's AGM being held as a virtual event?**

For more than a year now, the world has been experiencing unprecedented challenges posed by COVID-19. As last year, we are making every effort in 2021 to ensure the SAP SE Annual General Meeting of Shareholders (AGM) can take place while ensuring safety of our shareholders, employees, and service providers. Therefore, the Executive Board and Supervisory Board of SAP SE have again decided to hold this year's AGM as a virtual event on May 12, 2021.

#### **When will the official invitation for the AGM be published?**

The official invitation will be published on March 31, 2021. This constitutes the formal convening of the meeting.

#### **How can I ensure I receive the invitation in time?**

You can view the invitation on our Web site after publication, as well as in the German Federal Gazette (*Bundesanzeiger*). SAP shares are bearer shares, so SAP does not have a register of shareholder names and details. All contact is therefore through the securities deposit banks. The bank managing your securities account is responsible for sending out the invitation to you. In 2021, for the first time, printed invitation brochures will no longer be sent out as part of the invitation to the Annual General Meeting. Accordingly, your depository bank will provide you with the invitation brochure in electronic format or refer you to the SAP homepage where you can find the entire invitation. Please contact your bank if you have any questions.

#### **I haven't received an invitation. What should I do?**

Please contact your bank if it hasn't sent you your invitation.

#### **Where is the AGM being held?**

This year, the AGM will once again be held virtually due to the COVID-19 pandemic. There is no opportunity to attend the event physically.

#### **When does the meeting start and how long will it last?**

The meeting starts at 10:00 a.m. CEST on May 12, 2021. How long it lasts depends on how long it takes the Executive Board and Supervisory Board to answer the questions submitted to them.

#### **Do I need to register if I want to watch the AGM online?**

No, registration is not required to watch the event live online at [www.sap.com/agm](http://www.sap.com/agm).

#### **How do I register for the AGM?**

The bank managing your securities account will provide the information you need to register to exercise your voting rights and/or to submit a question.

#### **My voting right card didn't arrive in time. What should I do?**

If your attendance is registered for the virtual meeting but your voting right card doesn't arrive in time, please contact the Computershare hotline at 089 – 30 90 37 46 75.

#### **Why do I have to get a voting right card for the meeting from my bank if I only want to vote by post or via the Shareholder Portal?**

The voting right card is the proof of share ownership. You also need the number on the voting right card to attend the meeting virtually.

### **How do I vote?**

Upon registration with your security deposit bank, it will send you a voting right card with instructions on how to vote via electronic communication and by granting power of attorney. You also have the option to vote by post as well as grant power of attorney by post or fax.

### **By when do I have to submit my vote?**

Postal votes sent by mail must be received by May 11, 2021 (day of receipt of mail), and postal votes sent by fax must be received by May 11, 2021, 12:00 p.m. (noon) CEST. Voting via the Shareholder Portal, as well as proxy voting by authorizing the Company proxies via the Shareholder Portal, is still possible on the day of the Annual General Meeting of Shareholders until the end of the answers to the shareholders' questions.

### **How do I instruct the Company to vote on my behalf?**
